

The Royal Pavilion and Llangollen

The Royal Pavilion is an excellent venue close to the centre of Llangollen. It is within walking distance of the town if you are feeling fit, and there is ample car parking space. There is an on-site bar which will be open from Friday evening onwards, serving drinks, tea, coffee and snacks.

For those who have never visited Llangollen it is a town of many attractions, an ancient market town on the banks of the picturesque River Dee. There are wonderful walks and views with nearby canal viaducts built by the engineering genius, Thomas Telford.

<http://www.llangollen.org.uk> is full of useful information

A map of how to find the Royal Pavilion is available and we have a list of Hotels, B&B's, restaurants etc which we are happy to send upon request.

Please

If you intend to come it would be helpful if you reserved a place as soon as possible so we know how many teams to expect—payment can be made nearer the time.
