

38th Annual Kitzbühel Bridge Tournament

8th – 13th April 2008

Dear Neville

Would you please consider placing this or a link to it on your web page.

My wife and I were for a number of years (and probably still are) members of a number of WBU clubs including Cardiff, Penarth, Pencoed, Newport, Pöntyclus etc and would be only too happy to welcome, look after, arrange accommodation etc. for any visiting Welsh pairs.

The main event normally attracts around 100 pairs and the team event 30 or so teams. Kitzbühel itself is one of the prettiest villages in the Tyrol.

I would stress that this is not a commercial venture, it is organised and run by the Kitzbühel Bridge club as it has been since it's inception. It is considered as one of the major events in the Austrian bridge calendar and recognised as such by the Austrian Bridge Union.

We would really welcome the participation of any of your members. I'm sure they would have a wonderful time.

For the Kitzbühel Bridge Club

Ted Merrette

One of the best and largest Bridge Tournaments in the Alps: Spring skiing, Relaxation, Casino and Bridge with players of all nationalities.

The tournament which will be being played in Kitzbühel for the 38th time this year is a very pleasant way for Bridge players to round off the winter sports season. Over the last few years the participants in this traditional tournament have been spoilt, enjoying breakfast on the terrace in the sunshine with wonderful views of the snow covered Hahnenkamm or Kitzbühler Horn and taking advantage of the beautiful weather to enjoy the last days of the skiing season. The timing of the Bridge sessions are especially arranged so that one can ski during the day, or take one of the lovely prepared walks, even play golf and then have a meal in the restaurant in the evening.

There are lots of excellent restaurants in close proximity, as well as the Casino and of course the cosy bar in the Hotel Kitzhof which invite the players to relax in the evening.

Kitzbühel is one of the most attractive places in Austria to play Bridge. Many participants make the event a holiday by spending a few days before or after the tournament in the resort.

Every year players of all standards from relative novice to international ace participate in the Kitzbühel Bridge Tournament which continues to go from strength to strength. For details in English please visit: www.bridge.kitzcam.net
